

# INDEX

of WILDLIFE BIOLOGY, vol. 7, 2001

## ISSUE NO 1:

- 1 **Swenson, J.E. & Lindén, H.:** Editorial.
- 3 **Väänänen, V.-M.:** Hunting disturbance and the timing of autumn migration in *Anas* species. - Original article.
- 11 **Robertson, P.A., Park, K.J. & Barton, A.F.:** Loss of heather *Calluna vulgaris* moorland in the Scottish uplands: the role of red grouse *Lagopus lagopus scoticus* management. - Original article.
- 17 **Selås, V.:** Autumn population size of capercaillie *Tetrao urogallus* in relation to bilberry *Vaccinium myrtillus* production and weather: an analysis of Norwegian game reports. - Original article.
- 27 **Persson, I.-L., Wikan, S., Swenson, J.E. & Myrterud, I.:** The diet of the brown bear *Ursus arctos* in the Pasvik Valley, northeastern Norway. - Original article.
- 39 **Ball, J.P., Nordengren, C. & Wallin, K.:** Partial migration by large ungulates: characteristics of seasonal moose *Alces alces* ranges in northern Sweden. - Original article.
- 49 **Madsen, J., Kuijken, E., Kuijken-Vescheure, C., Hansen, F. & Cottaar, F.:** Incidents of neckband icing and consequences for body condition and survival of pink-footed geese *Anser brachyrhynchus*. - Short communication.
- 55 **Herzog, S. & Gehle, T.:** Genetic structures and clinal variation of European red deer *Cervus elaphus* population for two polymorphic gene loci. - Short communication.
- 61 Indices of WILDLIFE BIOLOGY, vol. 6, 2000.

## ISSUE NO 2:

- 65 **Hupp, J.W., Zacheis, A.B., Anthony, R.M., Robertson, D.G., Erickson, W.P. & Palacios, K.C.:** Snow cover and snow goose *Anser caerulescens caerulescens* distribution during spring migration. - Original article.
- 77 **Hassall, M., Lane, S.J., Stock, M., Percival, S.M. & Pohl, B.:** Monitoring feeding behaviour of brent geese *Branta bernicla* using position-sensitive radio transmitters. - Original article.
- 87 **Opermanis, O., Mednis, A. & Bauga, I.:** Duck nests and predators: interaction, specialisation and possible management. - Original article.
- 97 **Christensen, T.K.:** Effects of duckling body condition on hunting vulnerability in juvenile and immature common eiders *Somateria mollissima*. - Original article.
- 105 **Poole, K.G., Mowat, G. & Fear, D.A.:** DNA-based population estimate for grizzly bears *Ursus arctos* in northeastern British Columbia, Canada. - Original article.
- 117 **Gloyne, C.C. & Clevenger, A.P.:** Cougar *Puma concolor* use of wildlife crossing structures on the Trans-Canada highway in Banff National Park, Alberta. - Original article.
- 125 Guidelines to Authors

## ISSUE NO 3:

- 129 **Sæther, B.-E.:** Preface.
- 131 **Sutherland, W.J.:** Sustainable exploitation: a review of principles and methods. - Proceeding article.
- 141 **Kokko, H.:** Optimal and suboptimal use of compensatory responses to harvesting: timing of hunting as an example. - Proceeding article.
- 151 **Fryxell, J., Falls, J.B., Falls, E.A., Brooks, R.J., Dix, L. & Strickland, M.†:** Harvest dynamics of mustelid carnivores in Ontario, Canada. - Proceeding article.
- 161 **McCullough, D.R.:** Population manipulations of North American deer *Odocoileus* spp.: balancing high yield with sustainability. - Proceeding article.
- 171 **Sæther, B.-E., Engen, S. & Solberg, E.J.:** Optimal harvest of age-structured populations of moose *Alces alces* in a fluctuating environment. - Proceeding article.
- 181 **Luoma, A., Ranta, E. & Kaitala, V.:** Moose *Alces alces* hunting in Finland - an ecological risk analysis. - Proceeding article.
- 189 **Hudson, P.J. & Dobson, A.P.:** Harvesting unsta-

- ble populations: red grouse *Lagopus lagopus scoticus* (Lath.) in the United Kingdom. - Proceeding article.
- 197 **Jonzén, N., Lundberg, P. & Gårdmark, A.:** Harvesting spatially distributed populations. - Proceeding article.
- 205 **Willebrand, T. & Hörnell, M.:** Understanding the effects of harvesting willow ptarmigan *Lagopus lagopus* in Sweden. - Proceeding article.
- 213 **Madsen, J.:** Can geese adjust their clocks? Effects of diurnal regulation of goose shooting. - Proceeding article.
- 223 **Williams, B.K. & Nichols, J.D.:** Systems identification and the adaptive management of waterfowl in the United States. - Proceeding article.
- 237 **Parker, H. & Rosell, F.:** Parturition dates for Eurasian beaver *Castor fiber*: when should spring hunting cease? - Proceeding article.

#### ISSUE NO 4:

- 245 **Tornberg, R.:** Pattern of goshawk *Accipiter gentilis* predation on four forest grouse species in northern Finland. - Original article.
- 257 **Rhim, S-J. & Lee, W-S.:** Characteristics of hazel grouse *Bonasa bonasia* distribution in southern Korea. - Original article.
- 263 **Loison, A., Cuyler, L.C., Linnell, J.D.C. & Landa, A.:** Sex, age, condition and tooth wear of harvested caribou *Rangifer tarandus groenlandicus* in west Greenland, 1995-1998. - Original article.
- 275 **Colman, J.E., Jacobsen, B.W. & Reimers, E.:** Summer response distances of Svalbard reindeer *Rangifer tarandus platyrhynchus* to provocation by humans on foot. - Original article.
- 285 **Schnidrig-Petrig, R. & Ingold, P.:** Effects of paragliding on alpine chamois *Rupicapra rupicapra rupicapra*. - Original article.
- 295 **Kauhala, K. & Soveri, T.:** An evaluation of methods for distinguishing between juvenile and adult mountain hares *Lepus timidus*. - Short Communication.
- 301 Guidelines to Authors
- 305 Indices of WILDLIFE BIOLOGY, vol. 7, 2001
