

INDEX

of WILDLIFE BIOLOGY, vol. 8, 2002

ISSUE NO 1:

- 1 **Swenson, J.E.:** Editorial; WILDLIFE BIOLOGY - status at the beginning of 2002.
- 3 **Salvatori, V., Okarma, H., Ionescu, O., Dovhanych, Y., Find'o, S. & Boitani, L.:** Hunting legislation in the Carpathian Mountains: implications for the conservation and management of large carnivores. - Current management.
- 11 **Liukkonen-Anttila, T., Putaala, A. & Hissa, R.:** Feeding of hand-reared grey partridge *Perdix perdix* chicks - importance of invertebrates. - Original article.
- 21 **Tavecchia, G., Pradel, R., Gossmann, F., Bastat, C., Ferrand, Y. & Lebreton, J-D.:** Temporal variation in annual survival probability of the Eurasian woodcock *Scolopax rusticola* wintering in France. - Original article.
- 31 **Bray, Y., Champely, S. & Soyez, D.:** Age determination in leverets of European hare *Lepus europaeus* based on body measurements. - Original article.
- 41 **Frafjord, K.:** Predation on an introduced vole *Microtus rossiaemeridionalis* by arctic fox *Alopex lagopus* on Svalbard. - Original article.
- 49 **Larkin, J.L., Maehr, D.S., Cox, J.J., Wichrowski, M.W. & Crank, R.D.:** Factors affecting reproduction and population growth in a restored elk *Cervus elaphus nelsoni* population. - Original article.
- 55 **Madsen, A.B., Strandgaard, H. & Prang, A.:** Factors causing traffic killings of roe deer *Capreolus capreolus* in Denmark. - Original article.
- 63 **Nybakk, K., Kjølsvik, O., Kvam, T., Overskaug, K. & Sunde, P.:** Mortality of semi-domestic reindeer *Rangifer tarandus* in central Norway. - Original article.
- 69 **Linnell, J.D.C. & Strand, O.:** Do arctic foxes *Alopex lagopus* depend on kills made by large predators? - Rendez-vous.
- 77 Indices of WILDLIFE BIOLOGY, vol. 7, 2001.

ISSUE NO 2:

- 81 **Guillemain, M. & Fritz, H.:** Temporal variation in feeding tactics: exploring the role of competition and predators in wintering dabbling ducks. - Original article.
- 91 **Warren, P.K. & Baines, D.:** Dispersal, survival and causes of mortality in black grouse *Tetrao tetrix* in northern England. - Original article.
- 99 **Novoa, C., Aebischer, N.J. & Landry, P.:** Upland habitat use by Pyrenean grey partridges *Perdix perdix hispaniensis* during the breeding season. - Original article.
- 109 **Molinari-Jobin, A., Molinari, P., Breitenmoser-Würsten, C. & Breitenmoser, U.:** Significance of lynx *Lynx lynx* predation for roe deer *Capreolus capreolus* and chamois *Rupicapra rupicapra* mortality in the Swiss Jura Mountains. - Original article.
- 117 **Solberg, E.J., Loison, A., Ringsby, T.H., Sæther, B-E. & Heim, M.:** Biased adult sex ratio can affect fecundity in primiparous moose *Alces alces*. - Original article.
- 129 **Ferguson, S.H.:** Using survivorship curves to estimate age of first reproduction in moose *Alces alces*. - Original article.
- 137 **Ditchkoff, S.S. & Servello, F.A.:** Patterns in winter nutritional status of white-tailed deer *Odocoileus virginianus* populations in Maine, USA. - Original article.
- 145 **Flydal, K. & Reimers, E.:** Relationship between calving time and physical condition in three wild reindeer *Rangifer tarandus* populations in southern Norway. - Original article.
- 153 **Johnson, C.J., Heard, D.C. & Parker, K.L.:** Expectations and realities of GPS animal location collars: results of three years in the field. - Original article.

ISSUE NO 3:

- 161 **Hario, M., Hollmén, T.E., Morelli, T.L. & Scribner, K.T.:** Effects of mate removal on the fecundity of common eider *Somateria mollissima* females. - Original article.
- 169 **Campbell, S., Smith, A., Redpath, S. & Thirgood, S.:** Nest site characteristics and nest success in red grouse *Lagopus lagopus scoticus*. - Original article.
- 175 **Southwood, T.R.E. & Cross, D.J.:** Food requirements of grey partridge *Perdix perdix* chicks. - Original article.
- 185 **Dalerum, F., Tannerfeldt, M., Elmhagen, B., Becker, D. & Angerbjörn, A.:** Distribution, morphology and use of arctic fox *Alopex lagopus* dens in Sweden. - Original article.
- 193 **Ludwig, G.X., Hokka, V., Sulkava, R. & Ylönen, H.:** Otter *Lutra lutra* predation on farmed and free-living salmonids in boreal freshwater habitats. - Original article.
- 201 **Mowat, G. & Paetkau, D.:** Estimating marten *Martes americana* population size using hair capture and genetic tagging. - Original article.
- 211 **Jarnemo, A.:** Roe deer *Capreolus capreolus* fawns and mowing - mortality rates and countermeasures. - Original article.
- 219 **Broman, E., Wallin, K., Steén, M. & Cederlund, G.:** 'Mass' deaths of moose *Alces alces* in southern Sweden: population level characterisation. - Original article.
- 229 **Green, M., Alerstam, T., Clausen, P., Drent, R. & Ebbinge, B.S.:** Site use by dark-bellied brent geese *Branta bernicla bernicla* on the Russian tundra as recorded by satellite telemetry: implications for East Atlantic Flyway conservation. - Short communication.

ISSUE NO 4:

- 241 **Frederiksen, M., Bregnballe, T., van Eerden, M.R., van Rijn, S. & Lebreton, J-D.:** Site fidelity of wintering cormorants *Phalacrocorax carbo sinensis* in Europe. - Original article.
- 251 **Baba, Y., Fujimaki, Y., Klaus, S., Butorina, O., Drovetskii, S. & Koike, H.:** Molecular population phylogeny of the hazel grouse *Bonasa bonasia* in East Asia inferred from mitochondrial control-region sequences. - Original article.
- 261 **Draycott, R.A.H., Parish, D.M.B., Woodburn, M.I.A. & Carroll, J.P.:** Spring body condition of hen pheasants *Phasianus colchicus* in Great Britain. - Original article.
- 267 **Reunanen, P., Nikula, A. & Mönkkönen, M.:** Regional landscape patterns and distribution of the Siberian flying squirrel *Pteromys volans* in northern Finland. - Original article.
- 279 **Graham, I.M.:** Estimating weasel *Mustela nivalis* abundance from tunnel tracking indices at fluctuating field vole *Microtus agrestis* density. - Original article.
- 289 **Brainerd, S.M. & Rolstad, J.:** Habitat selection by Eurasian pine martens *Martes martes* in managed forests of southern boreal Scandinavia. - Original article.
- 299 **Andrén, H., Linnell, J.D.C., Liberg, O., Ahlqvist, P., Andersen, R., Danell, A., Franzén, R., Kvam, T., Odden, J. & Segerström, P.:** Estimating total lynx *Lynx lynx* population size from censuses of family groups. - Original article.
- 307 **Heide-Jørgensen, M.P., Bloch, D., Stefansson, E., Mikkelsen, B., Ofstad, L.H. & Dietz, R.:** Diving behaviour of long-finned pilot whales *Globicephala melas* around the Faroe Islands. - Original article.
- 315 **Indices of WILDLIFE BIOLOGY, vol. 8, 2002.**
